Third Annual
Toronto February
Shorthorn
SALE

Wednesday, Feb. 5th, 1947

**Coliseum - Exhibition Grounds
Toronto, Ontario**

Going Into Action . . .

The Shorthorn breed owes much to the breeders and also to the members of boys' and girls' clubs of Canada, who yearly win show yard accomplishments with Shorthorn exhibits. At the 1946 Royal Winter Fair a member of a Boys' and Girls' club showed his Shorthorn steer through to the winning of the championship of that division. With this accomplishment went the King's Guineas award to the youthful contestant with his grand Shorthorn steer. This is just one of the scores of winnings which these Junior members can accomplish with Shorthorns if the proper encouragement is given.

It is with this thought in mind that Mr. F. C. Thomas, the genial owner of Shorewood Farms, Paris, Ont., has donated outright to the Ontario Shorthorn Club, whatever proceeds this beautiful heifer will bring at this sale. There are no strings attached, the entire sale value realized will go for the promotion of Shorthorn Club work in Ontario.

This is a good heifer with a good pedigree; you can buy her with confidence and with the added recompense that you know your dollars will go toward a most worthy cause.

Mr. Thomas has gone into action; you too can go into action with your bids.

The pedigree of the heifer appears below:

Shorewood Rosewood 3rd is the first daughter of the \$5,000 Klaimor Ironmonger to be offered at auction. Princess Rosewood was International grand champion in 1931 and two of her daughters have topped Edellyn sale offerings. One of these was Edellyn Rosewood 21st.

Foreword

This is the third annual sale offering presented by the breeders who have regularly consigned to this sale. The appreciation shown previous sale offerings is partially reflected in the fact that purchases have gone to many states in the United States and to most of the provinces throughout Canada. Moreover the fact that all sale cattle have in the past made a great contribution to Shorthorn quality is the greatest recommendation that can be given to the herds from which they have come.

This sale catalogue gives the pedigrees and there are many illustrations of the sale animals and their sires. There is therefore no need to attempt any lengthy chronicle of the noteworthy ancestry appearing in the pedigrees. Suffice to say that no offering of Shorthorn cattle could have more potential possibilities than the cattle listed in this catalogue. Most of the breeders who contribute to this sale, plan for this sale as the major outlet for all their top productions each year; it is therefore a carefully planned sale of breeding stock, the entries are consigned with the sole purpose of bringing the purchaser satisfaction and success with Shorthorns.

Never has it been so important that a good bull be at the head of every herd, and one with a real background—it is such bulls that are offered in this sale. Never has a better opportunity been offered to secure outstanding females. Truly this is a planned sale full of opportunities to purchase some of the best procurable.

In any event whether you do, or do not prove to be a purchaser at this sale, the consignors will be happy to have all present who are interested in good Shorthorn cattle.

The Final Analysis

At the 1946 Royal Winter Fair, F. H. Deacon & Son had the distinction of showing the steer "Lucky" which was the champion Shorthorn steer. The steer "Lucky" was sired by Klaymor Forester, a top breeding son of Collynie Royal Barrage (imp.). We have shown five steers by Klaymor Forester and none have stood lower than second. This then is indicative of the ultimate outstanding final product which Klaymor Forester can sire.

We can recommend his progeny very highly, the practical results are conclusive.
